

All AA Groups in Flagstaff, Williams, Ashfork, Winslow, and the surrounding areas are invited

To participate in monthly meetings of District 03-301 and in periodic meetings of the Arizona Area.

Why should your group have a General Service Rep (GSR)?

1. To obtain the latest information about the plans and actions of the local district, our Arizona Area, and the General Service Conference in New York.
2. To learn more about A.A. conventions, AA finances, literature, corrections, Grapevine, public information (PI), cooperation with the professional community(CPC), remote community service, Spanish meetings, and the other ways that AA is carrying the message of recovery to those who still suffer.
3. To carry any questions or comments from your group to district and area trusted servants.

If your group does not have a GSR, **NOW** is the time to get **Into Action** and elect a GSR and participate in AA as a whole.

GSRs meet second Tuesday each month at 5:30 p.m.
