## **General Report:**

The Happy Hour Group thrives! We have very good attendance at all meetings, even the BB study. We have several groups operating out of the Amtrak Sta., and the question needs to be raised of whether or not they are part of Happy Hour. Our last business mtg. went well as our treasury report said we were solvent and making contributions per AA guidelines. We have recently had two new ceiling fans installed. We are excited to report that Happy Hour will be having a Group Inventory on March 22<sup>nd</sup>, facilitated by our own Dennis H. Our group also recently voted to begin supporting a Remote Communities Meeting on a quarterly basis beginning with the Grand Canyon Group on Friday April 17<sup>th</sup>; all are welcome to participate. I am looking forward to attending the Pre-Conference Assembly in Camp Verde the first weekend in April.

That is all.
