General Report:

The Happy Hour Group supported a Remote Communities Meeting on April 17th at Grand Canyon Village. 11-Sober alcoholics attended the Friday night mtg. along with about 7-home group members and we had a great meeting. Several weeks later 4-each sober members of AA from the Seligman area attended the HH Thursday night BB Study and we very excited to know that we may be supporting a meeting in their area soon. The HHG is in need of a literature person and a secretary. I will be attending ARCNA this month in Tucson on a personal trip, but as an AA GSR will be very interested to experience how NA runs a convention. I am still looking for an alternate GSR for the HHG as I am looking forward to a new service position come November. The HHG is considering starting a speaker meeting for one of the 7-weekly 5:30pm meetings held at the Amtrak Sta. Last week during our weekly Thursday BB Study we had a pigeon fly into the meeting room and by all accounts was sober.

That is all.
