August 3, 2008

Warm greetings, service family, from the department of “let’s be friendly with our friends.” My C.P.C.-related activities since our Kingman get-together are listed below:

1. **May 24:** participated in the launch of District 8 Special Needs Accessibility Committee, Salt River IG Office, and ongoing assistance to its Coordinator through review of presentation materials and motions for Area 03’s consideration
2. **May 31:** Offered support/suggestions to two members interested in C.P.C. efforts in Graham County.
3. **June through August:** Periodic e-mail support to Tucson Area IG’s P.I./C.P.C. committee upon request. Thanks, Lissa, for the awesome efforts your group is making, and for sharing at Friday evening’s Roundtable!
4. **June 12:** spoke to Central Mountain Intergroup, Cottonwood, about C.P.C. and provided some print resources to their P.I. and H & I chairs (back copies of PI/CPC News Exchange)
5. **June 17, June 21, July 15:** Sent e-mail updates to C.P.C. listserv (made up of members who have participated in C.P.C. Roundtables, are assigned to C.P.C. panel, or serve on local committees) from our G.S.O. Assignment Desk, along with other news of note.
6. **July 8:** Met with 03-301 P.I. Coordinator in Flagstaff who has temporarily assumed responsibility for C.P.C.
7. **July 12:** participated in the Intergroup Forum organized by Area 03 Public Information Coordinator with support of First Things First Group, Phoenix
8. **July 30:** co-presented with DCMC District 14 and former C.E.C. Ad Hoc Committee Chair to 20 care managers for Evercare in Flagstaff, one of the nation's largest care coordination programs for people who have long-term or advanced illnesses, are older or have disabilities. The PowerPoint is available via e-mail upon request to cpc@area03.org, and I have three sample folders available for anyone considering a combined C.E.C./C.P.C. presentation.
9. **August 5:** with the able assistance of our Spanish Coordinator, today’s report is available in Spanish (40 hard copies). Both English and Spanish versions will be posted at www.area03.org as anonymity-protected PDFs.
10. **August 8:** presented new PowerPoint produced by G.S.O. C.P.C. at Friday night Roundtable
11. **August 8:** provided C.P.C. workbooks, along with single-pamphlet display containers, to Roundtable participants

At the request of our Alternate Chair, I edited five PowerPoint presentations for use as companions to the G.S.R. School Workbook, all of which have been uploaded to www.area03.org. A great learning experience!

HELP WANTED! DCMs, DCMCs, IG Liaisons, etc.! We need your updates and news! Please let me, or our Alternate C.P.C. Coordinator, know who handles C.P.C. efforts in your local District or County in order that we can keep current you’re your activities around our Area and connect with the appropriate folks. Thank you...we for sure cannot do this alone; communication is the key!

It’s my hope you’ll all agree I’ve put the budget increase approved by the Assembly in May to good use, and am deeply grateful for your support, trust, and these opportunities to serve and learn. Without all of us, our 12th step work cannot go forward!
