

District 03-301 DCM Report  
Kyle H., DCM  
2-10-09

Greetings Service Family! I hope that 2009 has started off well for you all!

I want to first thank Bob and Frances for hosting the District Inventory that we had on January 17<sup>th</sup>, and a special thank you to Bob for facilitating the discussion. Also, a big Thank You to those of you that came and participated! We had a productive discussion of how our district is functioning and came up with some great ideas of what we can be doing better. Under New Business tonight, we will discuss the inventory and form an action plan to help improve the districts effectiveness in carrying the message.

I was finally able to have a discussion with Rodney about the districts decision to vacate his position as PI Coordinator. He informed me that he has had some family stuff that has taken precedence in his life at this point and was understanding of the need to find someone else to fill that position. He is going to be leaving his supplies at the Central Office. I gave him an open invitation to return to district service when his schedule will allow his participation. Speaking of the PI position, I also had a call from someone who is interested in filing that spot, so hopefully tonight we will be electing a new PI Coordinator. On a sadder note, John C. has officially resigned his position as CPC coordinator citing work responsibilities. I also thanked him for his willingness and invited him to return when he is able to. I have not heard from anyone willing to stand for DCMC at this point.

I also finally heard from our Area Registrar. She is in the process of updating the Area database and sending information to GSO. She did send me a list of our registered groups in our district, however, this was a list that I got a year ago, so I am waiting for her to send me an updated list so I can see where we are in making sure everything is up to date. If you are a new GSR and have not gotten anything from GSO as of yet, please let me know so that I can follow up with Brenda again.

I have sent out via email, and have printed one copy of the Pacific Regional Forum report from GSO. If you are not able to print from your email copy or would like a hard copy, please let me know so that I can print off only what is going to be needed.

I have submitted my registration for PRAASA and am all set to go. I am so grateful for the opportunity to go to PRAASA and celebrate my AA Anniversary at the same time!

Reimbursement Requested:  
PRAASA Registration \$15

Thank you for giving me the opportunity to be of service!
