

03-301 DCM Report

Hi there Service Family! I hope that all is well with everyone.

I am so glad that we are meeting again, especially after last months meeting had to be cancelled due to the snow. I am excited to discuss the District Inventory and implement an action plan and am excited to see what we can do this year to reach out to the community and carry the message.

I was finally able to connect with the area registrar and have a listing of all registered GSR's panel assignments. If you don't know your panel assignment, please let me know and I will look it up for you. I also have copies of the panel topics from GSO and will be happy to email them to you or get you a hard copy if you have not gotten them from your panel chair. If you have not yet registered for the assembly, I encourage you to do so as soon as possible.

I have emailed out the Pacific Region Forum reports and have limited copies available for those who are interested. This is the report from GSO and is also available at www.aa.org under services for AA members and then Regional Forum reports.

I would like to take this opportunity to thank the district committee for allowing me the privilege of attending this year's PRAASA in Oakland. I celebrated my 17th Anniversary just before leaving for Oakland and felt like the celebration continued all weekend. I have a separate report available for review. Let me suffice it to say that the more I learned, the more I realized I don't know.

I have my date book available with me this evening if anyone is interested in scheduling a group visit.

Reimbursement Requested

300 Miles roundtrip to and from Phoenix to go to airport for PRAASA-\$108.75
