

District 03-301 DCM Report  
June 9, 2009  
Kyle H., DCM

Happy Summer everyone! I hope your summer has started well.

My activity on behalf of the district has been very light this last month. I have been in contact with a new GSR from the Moencopi group, Jeremy K. I invited him to the district meeting and I believe he is planning to attend the assembly.

Speaking of the assembly, Alpine is this weekend! If you have not yet registered, there will be onsite registration when you arrive. I would recommend that you ride and room share where able. I have room in my car for 1 or 2 folks to ride along.

Betty is not able to join us tonight, however, Jason will be reporting on the progress on the workshop. Please think about how you can participate and let Betty know if you can assist.

I have not had the opportunity to set up a coordinators meeting as of yet. I have been swamped in my work and personal life so I do apologize to the coordinators for this. At this point in the rotation, if the coordinators want to do a meeting together, I will be happy to work on finding a date that will work.

I would like to encourage everyone to be thinking about next rotations service commitments. November will be here before we know it!

Thank you for allowing me to be of service!
