General Report:

The last Agape Business Meeting was attended by 8 home group members. Our meeting attendance and treasury has increased, so we'll make disbursements in July. We have an Alt. GSR who is also currently our chairperson for spkr/disc mtg. Susa K. has accepted the position and will be able to attend part of the August Assembly held here in Flagstaff. She will take over as GSR this in December after District and Area elections. We will be discussing the details of what a group inventory is (inventory questionnaire to be handed out) and determining which remote community meeting we will attend to support in early August. We will be voting on whether to do a group inventory, shortening the length of service for service positions and adding a greeter position for newcomers to get involved at our next Bus. Mtg. Ideas will also be presented for a time and place for our 3 groups to mingle @ a summer BBQ.

Happy to be of Service,
Suzanne W.
