

District 03-301
DCM Report
July 14, 2009

Happy summer everyone! Hope all is well with you all.

I want to first thank you all for your support over the last couple of months that I have not been at the district meetings. In May, I was attending a medical related seminar. Last month, I had family come into town unexpectedly that we had not seen in a very long time.

I have to do a 10th step for the district. I was unable to attend the Post Conference Assembly due to a family emergency with my son. I want to thank everyone who called, texted, emailed, and hugged me that weekend. I am so grateful that I have such a wonderful AA family who held me up that weekend. I understand that we had a small Flagstaff turnout, but that some good work got done.

This month, so far, has revolved around additional family obligations, so I have not been out much, however, I was privileged to serve the SALSA group in Winslow as a facilitator for their group inventory. It was well attended with about 10 members there and the discussion was lively and spirited and they have come up with some fantastic action items that will continue to help that group remain strong and vibrant. Thank you to Ann Mary and all of the members of SALSA for giving me that opportunity.

I had some communication from Pat with the HOW group in Page. The Serenity By The Lake roundup in Page will be in September. Fliers are located at the Alano Club and also on www.pageaa.org. The H.O.W. group is losing the meeting room that they have had for the past 6 or 7 yrs. The city is selling the building and they will be moving some of the meetings to St. David's Episcopal Church. Pat will get me the updated meeting list info as soon as she has it.

I would like to encourage everyone to consider what they can do during the next assembly that will be here in Flagstaff. Lin Marie sent out an email requesting that everyone pre-register and consider helping in some capacity. I am sure that any help given will be much appreciated.

Just a friendly reminder, that elections will be held during our November district meeting. This will be right after the Election assembly during our Thanks Potluck. Please be thinking about what capacity you are interested in serving in for next rotation.

I have my date book tonight with me, so if anyone would like to have a group visit, please let me know.

In Service,
Kyle H., DCM
