General Report:

The last Agape business meeting was attended by 7 home group members. Our meeting attendance and treasury has maintained and made disbursements in July. The new Alt. GSR Susa K. has declined the position upon further reflection and will not attend the August Assembly held here in Flagstaff. We are currently looking for new person to take over as GSR this in December after District and Area elections. We have transitioned the meeting chairperson to a new member, Al S. while Colleen has taken over providing the brkfst goodies. The group inventory was voted down – “everything is running well so why have one” seemed to be the general consensus. Still in process of determining a remote community meeting we will support. We didn’t get to the topics of shortening the length of service for service positions and adding a greeter position for newcomers to get involved. I’m assuming this will occur at the next business meeting. Ideas may also be presented for a time and place for our 3 groups to mingle @ a summer BBQ.

Happy to be of Service,
Suzanne W.
