DCM Report

Hope you are all doing well!

I apologize for not being at the meeting this month. My son is having his birthday today and my family is my priority this evening.

Once again, This month has revolved around family obligations, so I have not been out much. I do have on my schedule an opportunity to serve the Friday Night Women's Big Book group as a facilitator for their group inventory at the end of the month. I am grateful for the opportunity to be of service to that group.

I had some communication from Pat with the HOW group in Page. Pat writes: "Greetings from the H.O.W. Group. We are in the process of relocating our meeting place as the building we are in now has been sold and is going to be demolished. We will be moving to the Episcopal church and I will let you know specific days and times as soon as we are moved. Also if you could remind everyone about the upcoming camp out....Serenity by the Lake ...Sept. 25, 26 and 27th. Information and a registration form is on our web site at www.pageaa.org."

I am planning to be of service where I can at the assembly this weekend. I am hopeful that we will have a great turn out from the GSR's in Flagstaff. This is also a wonderful opportunity to share what we do with others in hopes of encouraging others to become involved in general service. With elections coming up in November, this may be a great opportunity to get new potential GSR's or coordinators to come out.

Just a friendly reminder, that elections will be held during our November district meeting. This will be right after the Election assembly during our Thanks Potluck. Please be thinking about what capacity you are interested in serving in for next rotation.

I do have available time so if anyone would like to have a group visit, please let me know. See you all this weekend!
