

District 03-Coconino County DCMC Report
Kyle H., DCMC
February 9, 2010

I have been in contact with Pat T. in Page and will be holding a district meeting for 03-300 at the HOW meeting place in Page tomorrow night. The focus of the meeting will be more of a general service in-service with time for questions and answers. I hope to spark some interest in getting folks up there joined into the service structure. I am planning to have the next district meeting for 03-300 in Tuba City, possibly in late May or early June. I will keep everyone updated on those plans. It would be great if some people from 03-301 would be willing to come and support 03-300 in their rebuilding.

I attended the Agenda Committee Meeting on January 31st. I was honored to be elected the Agenda Committee Chair for this rotation. As Agenda Chair, I also will be serving on the Administrative Committee. I am excited about the new responsibilities that I have been given and am very excited that Coconino County is now represented on both committees.

I have registered to attend PRAASA and have purchased my plane ticket. I did request upfront reimbursement for the ticket in the amount of \$160. The ticket came to \$155, so the additional \$5 that I was fronted is attributed towards the reimbursement I am requesting tonight for the registration.

On the agenda for tonight, we have a tabled topic of looking into possibly bidding for the 2011 State Convention. The bid for the convention would have to be presented at the Pre-Conference Assembly. In order to do this, we have a very short period of time to gather some preliminary information. Tonight, I would like to see if we have interest in doing this. If so, then I will need a committee of folks willing to do some leg work to get some information together to present to the district committee next month. Luckily, we do meet prior to the Pre-Conference Assembly, so at that time we can vote on whether or not to present a bid. If we have the interest tonight, I will notify our Alternate Delegate so that he is in the loop of our possible desire to bid.

Panel assignments have been made for this rotation. If you don't yet know your panel assignment, please see me as I have them with me. You can also locate them on the Area website at www.area03.org. It is imperative that I have your updated information if you are a new GSR for your group or your group is not even listed for a panel assignment.

Reimbursement requested:
PRAASA Registration-\$20 less \$5 advanced for airfare for total reimbursement of \$15
Pre-Conference Assembly Registration-\$10
Total Reimbursement Requested: \$25

In Service,
Kyle H., DCMC
Coconion County
