

District 03-Coconino County DCMC Report

June 8, 2010

Hi everyone! I hope everyone is doing well. It has been a busy month in the AA community with the round up this past weekend. I hope everyone had an opportunity to get out there and enjoy some awesome fellowship!

This has been a busy month for me in my life with changes surrounding my home life and working on 2011 Convention business. As many of you know, my husband has had a career change of sorts so I am getting used to being the one holding down the fort here at home while he is off working. This has been a huge change for us, and now that I am settling into the routine, I hope to be a little more responsive to other requests.

I have scheduled a District meeting for District 03-300 to be held on July 31<sup>st</sup> at 11am in Tuba City. I am working with some folks in Tuba on the location and the meeting will focus on sharing the joys of service and our Delegate will give a Delegates report. I hope that this will help to spark some further interest in general service. I am very excited that we have a GSR from Tuba City now joining us for our district meetings, but am hoping to get more folks involved as well. More will be revealed. I got confirmation from Suzette, our Delegate, as well of her availability to participate in our Workshop in October.

The 2011 Convention planning is going well. Please see my report that is submitted separate from this one.

I participated in the last Admin and Agenda meetings to prepare for the Post-Conference Assembly that will be held on June 19<sup>th</sup> in Mesa. Please plan to attend and hear all about the Conference that we sent the Delegate to. Also, if you have not yet registered for Post Conference or the August Assemblies, I encourage you to do so ASAP. If you have not gotten your panel topics from your panel chair, let me know and I can get those to you. If you don't know if your panel is meeting, make sure to contact your panel chair as not all panels are meeting for Post Conference.

As always, I am available to assist you and your groups in any way that I can.
