

District 03-Coconino County DCMC Report  
Kyle H., DCMC  
August 10, 2010

Hi everyone! I hope everyone is doing well.

It has been a busy month for me, but while very busy it has been very eye opening.

At the last Admin meeting, I was blessed to be appointed to serve on the Area Website Committee. I am excited to be able to be a part of helping to improve Area communications through the use of the Website.

I participated in the planning for the 5<sup>th</sup> Annual Fall Into Service Workshop. I'll give the update on that later tonight.

On July 17<sup>th</sup> we had the Corrections Workshop in Winslow that was very informative and we had a good turn out despite the roundups going on that weekend. There is at least 1 person that was interested in volunteering for the Winslow prison, which is exactly what we were hoping for. We are planning to do another one in November, when there are no other events going on so that hopefully more Winslow folks can attend.

On July 31<sup>st</sup> I was accompanied by our Area Delegate, Alternate Delegate, Area Chair and Literature Coordinator up to Tuba City. We had 2 Tuba City members who attended, and while the meeting didn't go exactly the way I had planned it, it went exactly the way it was supposed to. The two people that attended are very interested in carrying the message to people in that area and are doing a great job working on it. One of the things that we heard loud and clear is that they do need some "outside" folks to come up and help support the meetings. There are regular meetings on Monday and Thursday evenings with the Primary Purpose group and there is a noon meeting every day at the Behavioral Health Services Center. I would like to encourage folks to go to their groups and spread the word that adopting Tuba City would be a great way to reach out and help the fellowship up there in their recovery.

I am also excited to report that there is going to be some discussion with the Primary Purpose group about possibly hosting the 2012 Pre-Conference Assembly. If they decide that they would like to do this, I will request assistance from the Flagstaff District members to help put it on since they will need help to do this. More to come on that.

I am preparing for the August Assembly and hope you all are geared up for it. We also have the 2010 State Convention coming up Labor Day weekend. It is going to be a great time and would be wonderful to see Flagstaff well represented. This would also be a great time for those involved in the 2011 Convention planning committee to meet up with the 2010 Chairs and have a good time getting to know others from around the state. You can still register online and there will be registration available at the Assembly (I believe).

I am requesting mileage reimbursement from both the Winslow and Tuba City trips and have registered for the November Assembly.

Total reimbursement requested: \$95.20
