

District 03-Coconino County DCMC Report  
Kyle H., DCMC  
February 8, 2011

Hi everyone! I hope everyone is doing well.

DCMC activities have been light this month. I got a request for assistance from a member in Page who is now the manager of the Detox. I passed that request onto Jason, treatment coordinator, to help with getting literature up there. I have also fielded questions regarding traditions from several folks who participate in fellowship activities. I participated in the Group Inventory for the Women's Solutions Group this past weekend and plan to participate in the District Inventory this coming weekend.

2011 State Convention activities have geared up and moving forward. Our next meeting is on Feb. 26<sup>th</sup> at 1pm. Please see my Convention report for more details.

Upcoming activities include participation in the Admin meeting and Admin Inventory on Feb. 20<sup>th</sup> and then chairing of the Agenda meeting in preparation for the Pre-Conference Assembly. GSO topics will be coming out in the next 2 weeks, so please watch for your topics from your panel chair and review with your groups. This is the information that our delegate will be reviewing and taking our feedback back to GSO at the General Service Conference. If you are not sure of what panel you are assigned to, please let me know and I can help find that out for you. Also, if you are a new GSR, please get your information to Keith so he can make sure your group is listed with Area and GSO.

Please remember that the Pre-Conference Assembly is April 1-3 in Casa Grande at the Pinal County Fairgrounds. I will be leaving on Friday AM returning Sunday early evening. I will have room in my car for anyone interested in riding with me and am more than happy to share the room.

As always, I am available to assist you and your groups in any way that I can.
