

2011 State Convention Report  
Kyle H., DCMC, Host Committee Chair  
May 10, 2011

Hi everyone! Hope all is well with everyone and you are all getting excited to host the 2011 Arizona State Convention.

Our last meeting was on April 30th and we had a great planning session. We did some basic updating to what is going on. Our group was relatively small, and this may have been my fault for not getting the reminder out. I'm sorry for that one. My blackberry went swimming and I was without phone numbers and my calendar for a week. Anyways, registration fliers are now available and registrations are slowly coming in. Please take fliers with you, post them at your meeting places and get the word out. Please remember to announce at your meetings that there are lots of service opportunities at the convention so that we can be totally ready to go come convention weekend.

Our next meeting is on Sunday June 5<sup>th</sup> after the last event at the Roundup. We will be meeting at the fairgrounds where the marathon meetings will be held. We are hoping that this will allow more folks to participate since many people will be out there already. Everyone is encouraged to come and participate. It is time to start really ramping up and getting the word out. If you are going to be out of town, please announce where you are visiting. Publicity is going to be the biggest thing we need to focus on right now.

If anyone would like me to come and talk to your groups about the convention and what types of things that everyone can do to help put it on, please let me know. I have my calendar here and available with me.

In Service,  
Kyle H., DCMC
