

District 03-Coconino County DCMC Report
Kyle H., DCMC
May 10, 2011

Hi everyone! I hope everyone is doing well.

DCMC activities have been light this month. I participated in the District Inventory that was hosted by Keith at his house. This was not well attended, but the discussion was really thought provoking and was a great learning experience. I would like to thank Keith and Susan for attending and Dennis H. for facilitating the discussion.

Upcoming activities at this point are focused on the 2011 State Convention and preparing for the post conference assembly. I hope that you all have either registered or are planning to register soon. The delegate will be reporting back to everyone on her experience at the conference that she just got back from, so it will be a great time to learn more about how our voices are heard and acted on at GSO.

My family situation has changed drastically in the last 2 weeks and I am now free to attend more service opportunities. I would like to ask the district if the district would be willing to fund my attendance at the Additional Pacific Regional Forum in Woodland Hills CA this August. I have already secured a shared hotel room, so the costs that I am estimating should be fairly close to the actual costs. The hotel is \$129 per night plus tax, so shared room would be approx. \$150 for the weekend. Airfares are currently running right close to \$150 round trip (PHX to LAX). There is no hotel shuttle, so there would be a cost to and from the hotel via shuttle van of approx. \$29 each way. Total estimated costs look to be around \$360. There is no registration fees and I would not request reimbursement for my travel to and from Phoenix. There are funds in the DCMC budget for this, however, use of the DCMC budget would then reduce what is available for the upcoming assemblies. I would suggest that if the district would approve this request, then a new line item could be placed in the budget with a maximum limit of \$400. Also, if the district does approve this request, I would ask that I get a check for \$150 towards the reimbursements to pay for the plane ticket. The rest of the reimbursements would be requested upon return from the Forum.

2011 State Convention activities have been moving forward as well. Our next meeting is on June 5th at 12::30 at the Fairgrounds. Please see my Convention report for more details.

As always, I am available to assist you and your groups in any way that I can. I have my calendar with me, so if I can be of assistance, please let me know.
