

2011 State Convention Report
Kyle H., DCMC, Host Committee Chair
8-9-2011

Hi everyone! Hope all is well with everyone and you are all getting excited to host the 2011 Arizona State Convention.

Convention planning is in full swing and we are coming down to the last month before the event. There is time to pre-register and reserve a hotel room if anyone is interested in doing so. I encourage you all to pre-register, especially if you want a T-Shirt or a Mug as they are pre-registration only. Please take fliers to your groups and talk this up! We want to make this the best convention that the Arizona Area has seen!

If you are interested in volunteering, please get me your name and phone number so that I can get that info to Pam who is our volunteer coordinator.

* The next convention meeting is on 8/20 at 1pm at the Alano Club. We will then be meeting on 9/3 to do a packet stuffing party to stuff the envelopes for the pre-registered folks. Walk though at the hotel is on 9/6 and then we are at the convention.

If anyone would like me to come and talk to your groups about the convention and what types of things that everyone can do to help put it on, please let me know. I have my calendar here and available with me.

In Service,
Kyle H., DCMC
