

2011 State Convention Report
Kyle H., DCMC, Host Committee Chair
9-13-2011

Well...we are on the other side of the convention and all I can say is that I am so grateful to have had this experience. The convention was a screaming success and I heard nothing but positive feedback from people about the speakers, program, facility and food.

Thank you to everyone who was part of the committee this year. As I said from the podium, you all stepped up when I said "Help!" and really made this a positive experience.

We budgeted for 300 registrations and got about 330. We needed to sell 100 room nights and ended up with 104. All shirts and cups got sold and hospitality got enough donations to not need to use much of the budgeted amount set aside for them. While final numbers wont be in for a little while yet, I am anticipating that we will have at least broke even...which is the goal.

I will have a final, final report in November after I report out to the Area with all the numbers, but suffice it to say that I am so grateful to be part of a district that was passionate about putting on an amazing event and am hopeful that this is not the last one we do in a while.
