

District 03-Coconino County DCMC Report
Kyle H., DCMC
October 11, 2011

Hi everyone! I hope everyone is doing well.

I apologize for not making the meeting this month. I am in Prescott all week for work. DCMC activities this month have been fairly light since the convention. Given that work has been crazy, my son got married and found out that grandbaby #3 is on the way, I am grateful to have had a lull in the service activity arena.

I did attend the Admin and Agenda meetings in Phoenix in preparation for the November assembly. If you have not yet registered, please do so. This is our first 2 day assembly and elections are scheduled to go both Saturday and Sunday. Business will start at Noon on Saturday and we hope to end by Noon on Sunday. If you are on the Finance panel, please be prepared to meet early as this is also the budget assembly. I also attended the Women's Solutions Group as planned and had a great time talking about different levels of service. I would like to thank that group again for having me.

Just a reminder that the final convention report to the district will be given next month.

Fall into Service Workshop

The workshop is on October 15 at the Federated Church (This coming Saturday). Fliers are in the back. Please spread the word. April will be at the church at 9am so any help that can be given to help set up would be much appreciated. We have a full agenda with the GSR 101, Anonymity in the digital Age topics. We also will ask that all officers and coordinators from the district be present if possible to give a short 2 minute talk on what your job is. This is to help stir interest in district service and hopefully get some folks interested in standing for positions next month. Jeff F. and Sean C. are also going to be there to do a CPC/PI workshop and then we will have our raffle. Unfortunately with my being out of town this week, I will be unavailable to do much this week, so please reach out to April if you can help or if you want to see if there is anything that she needs help with to prepare.

Future Planned Activities

I also am planning to attend the Williams Women's group when they decide on a date to share about service as well. I will be at the Workshop on Saturday and a final wrap up meeting for the State Convention on Sunday at Dennis H.'s house. If you were on that committee, please plan to attend and bring a final written report so that I can include that in the stuff I give to the next Convention Chair.

Financial Accounting

I have no expenses to request reimbursement for at this time.

Please be thinking about what you would like to do next rotation. Our elections will be right after the assembly in Yuma with new positions starting in January. Talk to folks who are in positions you are interested in and talk to your service sponsor. I would love to see a full slate of officers and coordinators to start off next rotation.

As always, I am available to assist you and your groups. If I can be of assistance, please let me know.

In Service,
Kyle H., DCMC
